## Gufgu with Dr. Sandip Patil

Kurukshetra University Technology Incubation Centre (KUTIC) organized an enriching online talk on February 27, 2023, specifically designed for students of the Chemistry Department. Dr. Sandip Patil, the Founder of E-spin Nanotech Pvt. Ltd., served as the esteemed guest speaker for the event.

During his talk, Dr. Patil shared his remarkable journey, which transformed him from being a farmer into a multifaceted individual—an entrepreneur, a business leader, an innovator, a science communicator, and a motivational speaker. His story served as a powerful testament to the potential for personal growth and success when one embraces a diverse range of roles and skills.

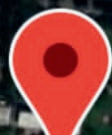

Dr. Patil emphasized the crucial importance of persistence in overcoming challenges and achieving one's goals. This message resonated deeply with the aspiring chemists and students in attendance, offering them valuable life lessons beyond the confines of the classroom.

The session was presided over by Prof. Neera Raghav, Chairperson and Professor of the Department of Chemistry at Kurukshetra University, Kurukshetra, adding to the prestige and educational value of the event.
