## Influential people of my life

- My Father
- My Mother
- My Brother
- My Sisters
- My teachers/Gurus
- My Mentors
- My seniors
- Friends and well wishers

## Great Scientists

- Professor CNR Rao
- Professor Kiran Majumdar Shaw
- Professor Kang
- Professor Chandrima Saha
- Professor Ashutosh Sharma

Kurukshetra University Technology Incubation Centre (KUTIC) organized an insightful online talk for the students of the Department of Home Science on March 15, 2023. The talk featured Dr. Shalini Arya, Associate Professor at the Institute of Chemical Technology in Mumbai.

Dr. Arya's engaging presentation allowed students to delve into her personal journey, which revolved around her deep-rooted passion for science. She shared her experiences growing up with science and how this passion led her to explore the vast scope and importance of the nutrition sector.

During the talk, Dr. Arya candidly discussed the challenges she encountered along her life journey, offering a candid perspective on the obstacles faced in her career. Her story served as a source of motivation and inspiration for the students, demonstrating that dedication and perseverance can overcome even the most formidable challenges.

The session was presided over by Dr. Tarvinder Jeet Kaur, the Chairperson of the Department of Home Science at Kurukshetra University, Kurukshetra. Dr. Arya's talk not only provided valuable insights into the world of nutrition and science but also encouraged students to pursue their own passions with determination and enthusiasm.
