The Kurukshetra University Technology Incubation Centre hosted an invited talk on 4 April 2023 by Mr. Dhariyash Rathod, CEO Smart Air India for the students of Institute of Environmental Studies. Mr. Dhariyash Rathod discussed different types of innovations needed for the sustainable development. According to him student must express and explore their ideas towards innovation. He further conducted an activity to initiate the startup and innovation among students. The talk was highly informative and interactive and the students were highly enthusiastic throughout the lecture. The Coordinator of KUTIC, Prof. Anurekha Sharma informed that the KUTIC is established for motivating and encouraging students and research scholars towards new ideas and startups. KUTIC provides funds to the students to fabricate their prototypes and further helps them in starting a new product. Prof. Jitender Sharma, Dean of Life Sciences and Director Institute of Environmental Studies informed students that they must utilize the opportunities and mentorship by KUTIC to shape their new ideas. A total of 85 participants including faculty members, research scholars, M. Sc. and M. Tech students of Institute of Environmental Studies attended the event. Dr. Hardeep Rai Sharma was the convener of the program. Dr. Pooja proposed the vote of thanks. On this occasion Dr. Sandeep Gupta, Dr. Meenakshi Suhag, Dr. Vijay Kumar and Manoj Sharma, were present.
