## Invited Talk by Dr. Pratibha Jolly

On April 19, 2023, Kurukshetra University Technology Incubation Center (KUTIC) hosted an enlightening talk for the students of the Department of Physics. The event was graced by the presence of Dr. Pratibha Jolly, Academic Consultant, National Assessment and Accreditation Council (NAAC) Principal Investigator DST supported Project GATI, Former Chair, International Commission on Physics Education.

Dr. Jolly's presentation, titled "Innovation, Enterprise, and Physics Education - Weaving Paradigms for the World of Work," left a lasting impact on both students and faculty members. Her talk was not only engaging and informative but also captivating, thanks to her expertise and enthusiasm. Dr. Jolly possessed the remarkable ability to simplify complex concepts, making them accessible and inspiring to all in attendance. The audience greatly appreciated the wealth of knowledge and wisdom she shared.

The session was presided over by Prof. Fakir Chand, Chairperson of the Department of Physics at Kurukshetra University, Kurukshetra. In his presidential remarks, Prof. Chand emphasized the importance of thinking beyond conventional education, encouraging innovation, and making connections to excel in today's ever-evolving world.

Following this session, another enlightening session with Dr. Jolly was held at the Women's Study Research Centre (WSRC), further enriching the academic experience for all participants.
